Congratulations on being accepted to Archbishop Wiley High School with Academic Distinction. As a member of English Senior students, I know our program is both challenging and exciting. Students don't simply read in their books but are part of the team that is active, either in the staff of our team, an organizer of our topics, themes, and events. As I see that that books and other material, and I am proud to have a team that is engaged and active more frequently. That I hope to see you back at Archbishop Wiley in the fall.

### **ARCHBISHOP MITTY HIGH SCHOOL • CLASS OF 2024**

Congratulations on being accepted to Archbishop Mitty High School with Academic Distinction. As a teacher of English honors students, I know our program is both challenging and exciting. Literature isn't simply stuff in dusty books that we pull down from the shelf to admire; rather it is the stuff of our lives, an expression of our hopes, dreams, and desires. So if you think that books and ideas matter, and if you want to learn to think more rigorously and write more eloquently, then I hope to see you here at Archbishop Mitty in the fall.

Sincerely,

Mr. Mick VanValkenburg  
English Department Chair
