Course	A-G subject approval	Year	GrLv	Grade	Course load equivalent
Advanced Biotechnology	Science (D)	2021	9	Р	Half year (5 units)

This educational record provides a cumulative list of all summer courses this student has completed at ATDP's secondary level. Students may use this record for the purposes of documenting college entrance requirements for a UC or CSU application, or to provide to their high school as proof of course completion. Visit https://atdp.berkeley.edu/including-atdp-courses/ for instructions.

ATDP Secondary Division courses are taught at the high school level, and they are offered directly through ATDP (a unit within the UC Berkeley Graduate School of Education); they are NOT the same as UC Berkeley undergraduate college courses or Summer Sessions courses.

atdp.berkeley.edu atdpoffice@berkeley.edu

A-G subject approval

If approved for ATDP's A-G list, the subject is listed, including UC Honors designation where applicable. Some courses may be in process for approval, as noted; visit atdp.berkeley.edu/aglist for updates on these courses. Courses with subject requirements marked "none" have not been submitted for A-G approval.

Year

The year the student completed the course.

GrLv

The grade level the student completed during the same year.

Grade

The final grade the student earned in this course. Grades in the A and B range may carry a recommendation of high school credit. Students can also earn a P (Pass) or NP (No Pass), neither of which may carry a recommendation of credit.

Course load equivalent

Equivalent amount of coursework completed in this course. ATDP courses are accelerated, and cover up to a full academic year's worth of material in six weeks or less.
